PROFESSIONAL - ADMINISTRATIVE - CLINICAL EXPERIENCE

1993 – 2024: Director of Oral and Maxillofacial Surgery Clinic Nicosia General Hospital.
 From Oct. 1993 to 2006 head of the Maxillofacial Surgery department at the old General Hospital of Nicosia and with the transfer hospital to the New General Hospital of Nicosia in 2006, officially creating an oral and maxillofacial surgery clinic and the first official director with responsibilities for its organization and operation until today 2024 .

From 1993 - 2024 (beyond the previous experiences in the context of my basic education) In these 30 years, officially recorded in the books of the General Hospital of Nicosia, as the manager – director of the maxillofacial surgery clinic, I have examined more than 120,000 patients, I have performed as the first surgeon over 25 thousand surgical procedures either with local or general anesthesia. I have been hospitalized more than 7 thousand patients.

There is experience in the entire surgical spectrum of Maxillofacial Surgery cases with the main core subjects being traumatology and oncology in the region. Salivary gland and head neck tumors are a special subject.

I was deputy executive director of the Nicosia General Hospital for the period June – August 2016

Representative of the Directors of Surgical Clinics of Nicosia General Hospital from 2016 until today.

President of the Operation Theatre Committee of Nicosia General Hospital from 2015 until today

Chief Medical Officer of the Cyprus State Services Organization (OKYPY) of Cyprus from 2020 until today 2024. As CMO I was the Coordinator of the OKYPY Operational Team to deal with the covid 19 pandemic for Public Hospitals. 2020 – 2023.

Certification of the Oral and Maxillofacial Surgery clinic of Nicosia General Hospital with ISO 9001:2015 and BSEN 15224:2016 for the provision of pre-operative, intra-operative and post-operative rehabilitation and follow-up services for patients with diseases in the oral cavity, maxillofacial surgery area and neck. August 2023

TEACHING EXPERIENCE

1985 to 1993: As a scientific associate in University clinics, I participated in the clinical practice of students, Medicine and Dentistry. In the research field, I prepared a doctoral thesis, participated in scientific conferences and publications in journals and magazine editions.

Since 1993, after I was hired as a specialist maxillofacial surgeon by the Cyprus Ministry of Health, I participated as a doctor in various training programs with topics related to my specialty and traumatology such as:

1. Training program for trainees of the Maxillofacial surgery clinic of Thessaloniki
2. Training program for EKAB ambulance crews of Thessaloniki
3. Training program for ambulance crews of the Ministry of Health of Cyprus
4. Training program for surgery trainees Doctors of the Nicosia hospital
5. Training program for Larnaca hospital surgical trainees
6. Educational program of the Nursing school of the Nicosia hospital
7. Post-educational program for nurses, Larnaca
8. Training courses for dental office assistants in the dental services of Cyprus
9. On-site training with seminars and courses for the Ministry of Health of Cyprus for dentists.
10. Saint John Ambulance First Aid Diploma Examiner

Topics that have been developed in lectures:

1. Facial cancer treatment
2. Surgical flaps to repair deficits
3. Patient with problems in the Office
4. Facial fractures and treatment
5. Temporomandibular disorders
6. Surgery of Temporomandibular Joint
7. Face Plastic Surgery
8. Treatment of patients with health problems in the doctor's office
9. Multi-trauma patient treatment
10. Treating the injured at the scene of the accident
11. First Aid Course Series
12. Cervicofacial infections

Every year from 2011 until today 2024 and every first week of December, organization of Oral Cancer Prevention Week in the context of enlightening the public and health professionals on a Pan-Cypriot basis and in collaboration with the Maxillofacial surgery clinic - dental services and the Ministry of Health organization of a series of lectures about issue throughout Cyprus.

I have been involved in the foundation and establishment of medical and dental school of the European University of Cyprus.

I was involved in the program "Dental Assistant" of Cyprus Collage 2011 until 2018. I had two courses, "Surgical Oral Pathology" and "Sterilization" as a senior instructor

Publication of a book in 2014 on the subject: "Sterilization of tools - medical waste management in the doctor's office" for help of the students.

Since 2013 with the establishment of the School of Medicine, I hold the rank of Associate Professor of the School of Medicine of the European University of Cyprus and taught the course "Introduction to Clinical Practice" by using modern simulators in the laboratory, to the second-year medical students of the 4th semester and after 2017 until today the course of Maxillofacial surgery in the 6th year of the Medical School (12th semester)

With the operation of the dental school of the European University in 2017, I teach from the position of Associate Professor of Dental school, as the coordinator of the Oral surgery and

maxillofacial surgery course for the 3rd 4th 5th year (5th, 6th 7th 8th 9th 10th semesters) until today 2024

From 2013-2017, member of the faculty of the Oral and maxillofacial surgery clinic, Department of pathology and oral surgery of the National and Kapodistrian University of Athens, with the assignment of a course at the undergraduate level to final year dental students.

Participation in the Master's program of Hospital Dentistry of Aristotle University of Thessaloniki School of Dentistry (AUTH) 2017 with subjects:

Infection factors in the dental office and basic prevention methods

Preparation of the patient - work area - tool handling (4-hand work system) bleeding hemostasis

Participation in the Master's program of Hospital Dentistry of Aristotle University of Thessaloniki School of Dentistry (AUTH) 2023 with subjects:

Cases referred to the hospital by the general dentist common and rare referral cases.

Emergencies in the Dental office. Immediate treatment

Supervisor in the Program PhD thesis of Dr Kyriakidou Elena, in Cancer Biology and Clinical Oncology of the Department of Life Sciences and the Department of Medicine 2024

Member of the Editorial Board of Balkan Journal of Dental Medicine of the scientific society Balkan Stomatological Society from 2004 until today

 combined approach to oral surgery” 2 Dec 2017 EUC Nicosia
 Organizing committee
 Scientific events: Craniofacial Malformations, EUC 19 June 2019
 Organizing committee
 Conference of Cyprus Association of oral and maxillofacial surgery “ Emergency cases” 14-
 15 February 2020 Nicosia
 Coordinator
 every year from 2011 until today 2024 and every first week of December, organization of Oral
 Cancer Prevention Week with collaboration with the Ministry of Health of Cyprus

ANNOUNCEMENTS OF SCIENTIFIC WORKS AT CONFERENCES - SEMINARS

The use of medium-thickness cranial bone autografts for restoration of the visceral cranial
 skeleton.

Ir. Karabuta-Voulgaropoulou, S. Tsodoulos, G. Pantelas.

6th Panhellenic Congress of Oral and Maxillofacial Surgery. Athens November 30 – December
 2, 1990

Free autograft of a dentoalveolar segment in the jaw of dogs.

G. Pantelas

Oral-maxillo-facial surgery post-educational seminar of the Stomatological Society of Northern
 Greece. Thessaloniki, May 18-19, 1991

Placement of a lateral osteochondral autograft in the mandible in a patient with hemifacial
 microsomia.

Ir. Karabuta-Voulgaropoulou, S. Tsodoulos, G. Pantelas

KST Annual Dental Meeting. Lamia 1 – 4 September 1990

Cervical swellings of non-microbial etiology, a diagnostic problem
Ir. Karabuta-Voulgaropoulou, S. Tsodoulos, G. Pantelas
KST Annual Dental Meeting. Lamia 1 – 4 September 1990

Sagittal osteotomy in the correction of mandibular prognathism. Our results.
Ir. Karabuta-Voulgaropoulou, S. Tsodoulos, G. Pantelas
7th North Hellas Medical Congress. Thessaloniki, May 14-16, 1992

Submandibular tumor-like masses. Our experience.
I. Karabouta, G. Pantelas, S. Tsodoulos.
11th Congress of the European Association for CranioMaxillo-facial Surgery. Innsbruck 9-13 September 1992

Split thickness cranial bone grafts for post traumatic facial reconstruction. (video)
I. Karabouta, G. Pantelas, S. Tsodoulos.
11th Congress of the European Association for CranioMaxillo-facial Surgery. Innsbruck 9-13 September 1992

Antrocystostomy - Rhinocystostomy method of treatment of large cysts of the upper jaw.
Opinions from our experience.
G. Pantelas, N. Lazaridis, L. Zouloumis.
1st Armed Forces Medical Conference. Thessaloniki, October 29 – November 1, 1992

Injuries in sports fields.
G. Pantelas (invited speaker)
First Aids Conference, Nicosia June 4, 1994

Use of a myotemporal flap for deficit repair after maxillary hemignathectomy.
G. Pantelas
4th Pancypriot Surgical Congress, Nicosia, 15-16 October 1994

Posttraumatic supraorbital syndrome, Case report
G. Pantelas
15th Medical Forces Conference November 10-13, 1994 Thessaloniki

Ophthalmoplegia after fracture of the zygomatic complex. Case report.
G. Pantelas
1st Meeting of the Association of Greek Oral and Maxillofacial Surgeons, Pelion 28-29 May 1994

Cleidocranial dysostosis and problems from the oral cavity.
G. Pantelas, I. Dimitrakopoulos, D. Karakasis
14th Panhellenic Dental Congress, Limassol, October 26-29, 1994.

Posttraumatic orbital apex syndrome. A case report.
G. Pantelas.
XII International conference on oral and Maxillofacial Surgery, June 28- July 2, 1995 Budapest, Hungary

Peripheral myxomas of soft tissues
I. Karabouta. G. Pantelas, G. Trigonidis
XII International conference on oral and Maxillofacial Surgery, June 28- July 2, 1995 Budapest, Hungary

Temporal muscle flap in maxillary hemignathectomy defect repair.

G. Pantelas,

8th Panhellenic Congress of Otolaryngology, Head and Neck Surgery. 2-5 November 1995
Limassol Cyprus.

Peripheral myxoma of the head and neck- Case report. Literature review.

G. Pantelas, I. Michaelidis, Ch. Siakalli.

8th Panhellenic Congress of Otolaryngology, Head and Neck Surgery. 2-5 November 1995
Limassol Cyprus.

Reliability of results of fine needle puncture in swellings of the face neck area.

G. Pantelas, G. Kitros, F. Iakovou.

9th Panhellenic Congress of Oral and Maxillofacial Surgery, November 24-26, 1995 Athens.

Myxoma of the soft tissues of the face. Report of three cases.

Ir. Karabuta-Voulgaropoulou, G. Pantelas, G. Trigonidis.

9th Panhellenic Congress of Oral and Maxillofacial Surgery, November 24-26, 1995 Athens

Facial injuries during sports

G. Pantelas (invited speaker)

Training seminar for KOP doctors to cover matches abroad, October 7, 1995 Nicosia.

Total parotidectomy. Cases report

G. Pantelas

10th Panhellenic Congress of Oral and Maxillofacial Surgery, Nov. 29- Dec. 1, 1996, Athens.

Dermal surgical flaps for the restoration of facial defects.

G. Pantelas, A. Kostea, C. Siakalli, E. Evangelou.

10th Panhellenic Congress of Oral and Maxillofacial Surgery, 29 Nov. - 1 Dec. 1996 Athens

Dealing with problematic patients in the Practice – Kit of Pharmacy (lecture)

G. Pantelas

Two-day symposium Surgery and emergency dentistry, September 28-29, 1996 Larnaca

Total parotidectomy

G. Pantelas

5th Pancypriot Surgical Congress 5-6 October 1996 Nicosia

Surgical flaps to restore facial defects

G. Pantelas

5th Pancypriot Surgical Congress 5-6 October 1996 Nicosia

Panel lecture: Maxillofacial defects. The role of the maxillofacial surgeon dentist and dental technician.

G. Pantelas (invited speaker)

Mediterranean Congress of prosthetic dentistry, 26 – 30 Iouli. 1996 Λεμεσος

Superficial parotidectomy. Analysis of results on 36 cases of parotid tumors

G. Pantelas

3rd Greek - Cypriot Surgical Conference, September 12-14, 1997 Nicosia.

Preoperative planning of implants

G. Pantelas (invited speaker)

1st Panhellenic Osseointegration Conference, November 5-7, 1997, Athens.

Parotidectomy. Analysis of results on 38 cases of parotid tumors
G. Pantelas, S. Spyrou, L. Kalimeras, G. Kitros.
2nd Meeting of the Association of Greek Oral and Maxillofacial Surgeons.
November 8-9, 1997, Thessaloniki.

Parotidectomy. Analysis of results on 38 cases of parotid tumors
G. Pantelas, S. Spyrou, G. Kitros.
11th Panhellenic Congress of Oral and Maxillofacial Surgery, November 21-23, 1997,
Athens.

Orbital reconstruction using a lateral autograft for post-traumatic enophthalmos correction.
G. Pantelas
11th Panhellenic Congress of Oral and Maxillofacial Surgery, November 21-23, 1997,
Athens.

Sports injuries and their treatment
G. Pantelas (inviter speaker)
National Development Sports Support Plan, February 14, 1998 Nicosia

Treatment of a injured patient -Multiple trauma
G. Pantelas (inviter speaker)
2nd Provincial Conference of the Nicosia Provincial Committee, Association and Order of
Agios Ioannis. March 21, 1998, Nicosia.

Dealing with large numbers of casualties – Triage of the injured patient
G. Pantelas (inviter speaker)
